CITY OF ROLLA  
CITY COUNCIL AGENDA

DEPARTMENT HEAD: John Butz, City Administrator      ACTION REQUESTED: Review

ITEM/SUBJECT:    Review of the Proposed Budget for the Forum Plaza Community Improvement District

BUDGET APPROPRIATION (IF APPLICABLE) N/A      DATE: June 15, 2020

\*\*\*\*\*

COMMENTARY:

Attached is a rather simple budget for the Forum Plaza CID – a renovation project of the 1970’s Forum Plaza – that is supported by a one-cent CID tax overlay. The CID Board, made up of three representatives of the development and two representatives of the City (Mayor and City Administrator), actually approves the budget (October 1 fiscal year), but the CID statutes require submittal and review by the City Council (no formal action taken).

The CID provided \$4 million of the \$14 million project to eliminate and reverse blight conditions. The one-cent CID tax will run through 2039 unless paid off sooner.

CITY OF ROLLA  
CITY COUNCIL AGENDA

DEPARTMENT HEAD: Brady Wilson

ACTION: Motion

ITEM/SUBJECT: Land Lease/Composting Site

BUDGET APPROPRIATION: NA

DATE: June 15, 2020

\*\*\*\*\*

COMMENTARY:

The City has operated a yard waste disposal/composting site since the state banned landfill disposal of yard waste in 1992. Funding of the compost facility/operation is provided by the Phelps County Landfill Board (PCLB) and is operated by the Environmental Services Department. The yard waste disposal/compost site is currently located at the north end of McCutchen Drive.

For the past ten years, the PCLB has leased the site (approx. 5 acres) from the City for purposes of managing landscape wastes. The lease includes an annual payment of \$500 to the City. The current lease will expire at the end of June. However, the lease contains an option for two (2) five-year extensions under the existing terms. The PCLB is requesting an extension of the current lease under the existing terms. Staff recommends granting the five-year extension. A copy of the existing lease and a site map are included for your information.

ITEM VI. B.1.

## LAND LEASE-COMPOST/MULCH SITE

THIS LEASE entered into this 1st day of July, 2010, is made between The City of Rolla, Missouri, Lessor, and The Phelps County Landfill Board, Lessee.

Parties to this lease covenant and agree as follows:

1. Lessor leases to Lessee and Lessee takes as Lessee the following premises and grounds situated in the City of Rolla, County of Phelps, State of Missouri:

5 acres at the north end of McCutchen Drive in Rolla, Missouri commonly known as the Meade Property (see Attachment A). These premises are part of a larger parcel owned by the City of Rolla, portions of which may be subject to development at any time.

The premises and grounds set forth above shall be used for stockpiling and processing of organic/landscape waste (brush, grass, leaves, logs, etc.) and pallets by Lessee for the entire term of the lease.

2. The term of this Lease shall commence on the 1<sup>st</sup> day of July, 2010, and extend through the 30th day of June, 2020. The Lessee shall have two five-year options to renew this lease under these same terms and conditions as set forth herein if agreeable to both parties. The options shall be exercised in writing to Lessor no later than thirty (30) days prior to the expiration of any lease period herein. The Lessor shall have the ability to terminate this agreement at any time with a minimum of a 90-day advance written notice to the Lessee.

3. Lessee shall make annual payments of \$500 each year under the term set forth above. Annual payments shall be made to the Lessor prior to July 1<sup>st</sup> of each year the lease is in effect.

4. This Lease shall not be assigned nor shall the premises or any part thereof be let or sublet or used or permitted to be used for any purpose other than as above provided without the written consent of Lessor.

5. Lessor shall be responsible for initial preparation (grading) of the site. Lessee shall be responsible for any necessary surfacing (gravel, pavement, etc.) of the site. Any additional improvements necessary for the operation of the compost/mulch site shall be the responsibility of the Lessee.

6. Any necessary signage will be the responsibility of the Lessee.

7. To the extent feasible, Lessee shall keep and preserve the premises free from nuisance, and not use or permit the use of the premises, or any part thereof, for any purpose forbidden by law or by this lease.

VI. B. 2.

8. Lessor may at all reasonable hours enter upon any part of the premises for the purposes of examining the condition thereof.

9. The Lessee shall indemnify and hold harmless the Lessor and all of its officers, agents, and employees from all suits, actions, or claims of any character brought for or on account of any injuries received by any person or property damage resulting from the use of the facilities, including when such suit, action or claim is caused by the negligence of the Lessee, its officers, employees or agents.

10. The Lessee shall surrender the premises at the termination of this Lease for any reason, and the same shall be in as good condition as received, ordinary wear and tear and providential destruction or damage accepted.
