

PUBLIC OPEN HOUSE MEETING

Does Missouri S&T and the City of Rolla need Public Transit?

Please attend a Public Open House Meeting to learn more about the current study and provide your thoughts on transit.

Wednesday, April 5

5:30 p.m. to 7:00 p.m.

Missouri S&T

Havener Center, Shamrock Room C210

1346 N. Bishop Ave.

Missouri University of Science and Technology is conducting a Campus Transit System Feasibility Study to explore the need and potential development of a transit system to serve Missouri S&T and the City of Rolla to improve mobility. The feasibility study will evaluate community expectations, options, costs and funding possibilities. Please attend and talk with members of the study team to discuss concept solutions.

If you have questions about the meeting, please contact:

Ted Ruth at truth@mst.edu or 573-341-6430.
